Sign Travelers Inn / fishing - Beach house

A travelers inn... is a
place for
overnight
stays,
right?

Could we
stay here
tonight?

E-
excuse
me...

There are
jellyfish in the
sea, you won't
be able to
swim anymore,
you know?

—
You're
right,
but...

Isn't
summer
vacation
over
already?

So the
three of
you...

Where
are your
parents?

It's only
you kids?

If you're fine with what we have, I can bring you a meal, too.

My name,
you know...

It's written
as
"the reason
of living."

soto: Ro's name is written with 理 (ri) which means "logic" or "reason" and 生 (sei, usually read as i) which means "to live" (among some other stuff)

the blue sky
I can see
from afar .

..Natsuru,
you've
always been
like

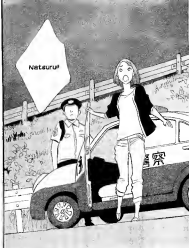

Thank you,
Natsuru!

I would have
never thought
that you'd

become our
family...

41

Ritchan...

God will
see that

and heal
my illness.

"When you're
a good kid
and listen to
what your
mother says

That's why
you should be
a good kid and
wait."

When Dad
became sick

in his
hospital
room, he
told me

I wonder if
I weren't
a good kid.

But Dad
died.

Why?

God...

...sometimes
tells lies, too.

That's
because

he
really

loves
you.

44

I

Kitchen

wasn't
really that
sad when
God died.

Maybe
because
I was really
small back
then.

God tells
lies

very
powerfully.

...yeah

So
that's
why

it's fine
already.

and live
with it.

We spread our
hands out to
these lies

The next day

According to Rio, the police searched their garden

and found their grand-father's corpse

46

According to the weekly yellow press and talk shows

he said

he'd been tired with his family life

Rio's father was no fisherman.

He hadn't gone to Alaska, but stayed in the room of a hostess in the same town.

Megaone headline: Parent leaving their children alone - The girl (22) who buried a corpse

said
Ritsuko.

If it had
been a
mother
leaving her
children
alone,
there'd be a
bigger fuss.

Ironically,
rather than
being curious
about the
father Rio
had tried to
cover up for

and I
hit 2 or
3 more
people

Rumors
about Rio
spread
throughout
the school

people's focus
shifted
toward her,
the
elementary
school girl who
had buried her
grandfather's
corpse all
alone.

But I
don't
really
care.

Ritsuko was
called to
school many
times and
apologized
but she
didn't scold
me for it.

My
reputation
at school
is the
worst now.

grew a
whole 5
centimeters.

I

One
winter's
day

the place
where Rio's
house at been
turned into
a vacant lot.

But I'm sure
Rio was sad.

Because
seeing a
house that
has no owner
anymore
wither away
would have
made my
heart break.

I felt a bit
relieved.

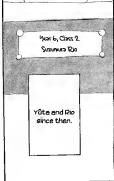

I heard
they live in
a children's
home in
another
town.

I haven't
met

Year 6, Class 2
Summer Day

Yōte and Ro
since then.

Animal
volunteers
had found a
new home
for Tofu.

The hind leg
he'd been
unable to
move will be
cut off in a
surgery,
I heard.

A cat
that has
lost one
leg

will run on
three legs

That's not
a sad
thing at all.

Run

Run

Mmmh...

I guess
it'll last
for a
while

How's
the size?

You've grown
a bit more
since you
tried it on in
the store,
right?

Note: Gakuran is the term for the kind of uniform jacket Natsuru is trying on

Couch Okada will also come to cheer.

You'll become part of a club team from middle school

Isn't that nice?

so tomorrow will be the last match with your current team.

Yeah.

is heavy...

Somehow, the gakuran

53

It's Rio!!

Natsuru!!

The phone!!

Dreamed that you

had become
a soccer
professional.

I'm sure

it will
come
true.

Natsuru.

Let's meet
again.

kamisama ga uso o tsuku. The End.

Thank you for reading. The tankobon volume will come out in late September. Please look forward to it.
